

Once again, this amazing community that God has blessed me with comes through.

Twenty-six people from Parkview showed up at my ordination service -besides many who watched it online- and I couldn't be any happier or prouder to show-off my Parkview family.

I have no words to express my gratitude to you all. Your kindness has extended beyond what I expect or deserve. I am grateful I got the chance to see so many of you at once, and I have a feeling our paths will cross again soon.

Thank you, again, for your sincere kindness and support.

Parkview, you were and you will always be a family to me.
